DEPARTMENT OF AGRICULTURE
RURAL ELECTRIFICATION ADMINISTRATION

PROGRESS BULLETIN
GENERAL - NO. 112

IMMEDIATE RELEASE
DECEMBER 9, 1939

Allotments totaling \$648,000 for rural electrification systems in Mississippi, were announced today by Harry Slattery, Administrator of Rural Electrification. These allotments provide for the establishment of one project and the enlargement of another in the State.

The allotments for the two distribution systems are intended to provide service for a total of approximately 3,800 farm families in Mississippi. There also were announced a number of allotments for wiring and plumbing installations in various States.

Together they brought the total of allotments made by REA since its establishment in 1935 to \$267,326,293, of which \$39,201,806 represents operations during the current fiscal year.

Details of today's allotments are attached.
